

RUSKOVETS

R E S O R T

SKI, SPA & LEISURE

"Ruskovets" in Dobrinishte is a wonderful combination of nature, spa treatments and mineral water; comfort and opportunities to practice different sports in all seasons of the year. It is characterized by elegance, artistry and the implementation of a number of green ideas. Traditional regional architectural forms are skilfully combined with artistic decisions of the facades and built with a modern interiors.

We highly welcome you and wish you a relaxing vacation!

The complex covers an area of 20 000 sq.m. It offers harmony, luxury and comfort. The apartments are designed in warm color palette with wooden furniture and natural materials. The lovely villas attract broad southern terraces that appear on the green lawn with loungers for sunbathing. Private car parking to all guests. Security guard.

Enjoy every moment of the day with friends and share the emotions with a cup of your favorite drink!

Spacious lobby bar is the crossing point for all guests in the complex. It's logical extensions are two restaurants with terraces: Lavender is the host of the morning buffet, and during the rest of the day offers a la carte; Italian taste, Bulgarian and European culinary classic is the proposal of Il Forno. Welcome! Here the taste dominates!

Thermalis Spa

The greatest wealth of Dobrinishte is the hot mineral water, which gives it the status of a spa and climatic resort. The water temperature is between 30 and 43°C. It is known to help the healing of diseases of the musculoskeletal system, skin, neurological, gynecological and other health problems.

Feel at ease for your children!

Sunny and secure children's area, activities and care educator. Outdoor playground. Lanes with greenery and accessible environment for prams and disabled ones. Children pool with a special non-slip coating floor tiles. Healthy menu. Kitchen in each apartment. Baby crib.

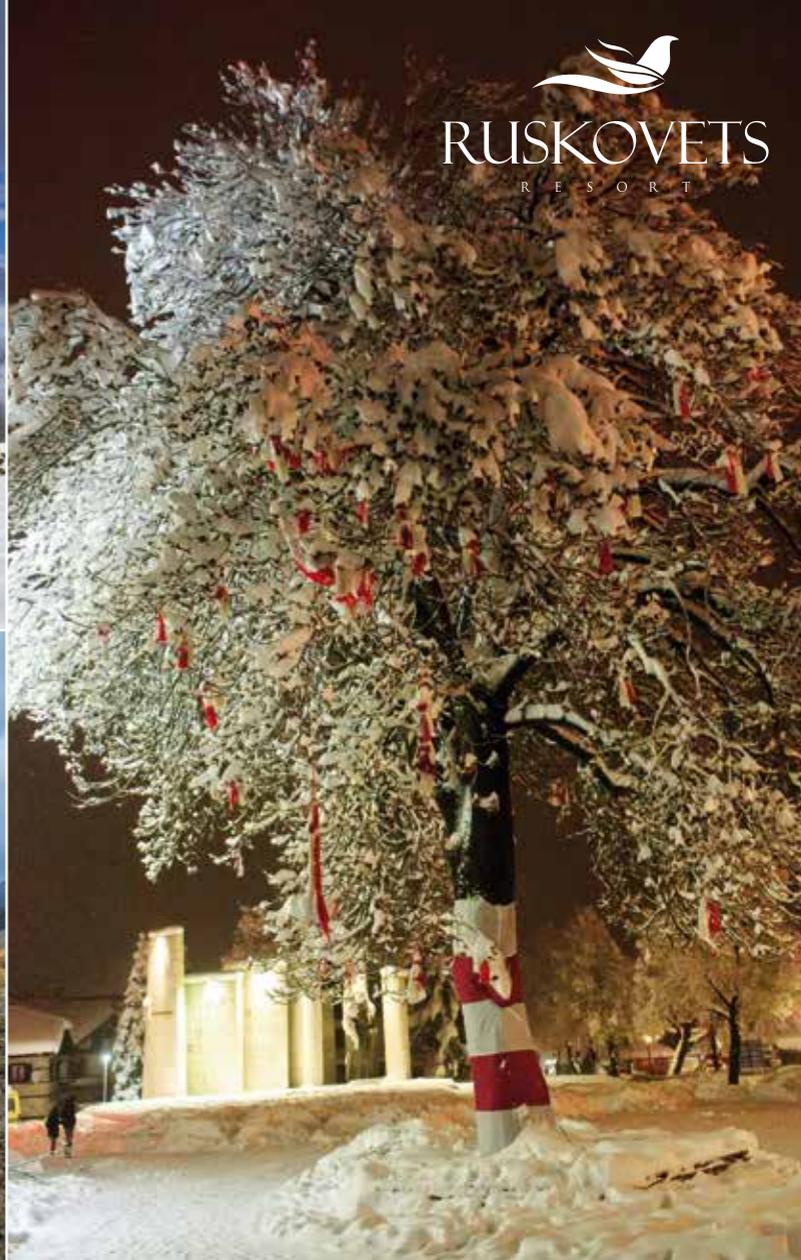

Bansko – winter capital of the Balkans

Lowest point of the ski center – 990 m.n.v. And the highest – 2600 m.n.v. The two points are connected by a unique 16-kilometer ski track. 75 km tracks with varying degrees of difficulty. Snowmaking ensure high season from December to April. Cabin lift from Bansko to Banderishka meadow, where several chairlifts climb skiers to Todorka in minutes. In the Banderishka meadow there are trails for cross-country skiing, biathlon stadium and a children's area.

Ski center Dobrinishte unfolds at the foot of Bezbog

The ski lift station is at a distance of 12 km by DOBRINISHTE in Gotse Delchev hut /1485 m.n.v./. The seat lift – veteran skiers to climb Bezbog /2227 m.n.v./ with an intermediate station for 25 minutes. The ski slope has a length of 5 km with varying degrees of difficulty. The area is sunny and protected from strong winds. Children's run is the Gotse Delchev hut. There is natural snowy road surface, which gives a different feeling for practicing ski and snowboard sport.

Tourist Destination

1 January – additional Mummer Festival in Bansko and Razlog.

21 January Babin den – a celebration of grandmothers and their grandchildren, born during the past year; city Razlog.

14 February – St Trifon's Day is very important for all winemakers, vintners and vinolyubiteli. Wine Capital of the Southwest is Melnik, and the wine road along the valley of Struma route, combining wine and culture, showing Bulgaria as a world wine destination.

1 March Day of Baba Marta, which is honored with the red and white threads – “martenitsas”. Her wayward character is believed to be the reason for the changing weather in March and frequent surprises from the big snow and strong winds.

8 March – Women's Day: all women get flowers and a cause for celebration throughout the month until the Day of Spring, March 21st.

In winter, with a variable date is the feast of St. Theodore, the patron saint of horses. He goes to horse races in Bachevo.

Spring passes under the sign of Easter and St. George. Dobrinishte is known master of painted Easter eggs. The culinary tradition requires menu with lamb.

In July, the festival “Dobrinishtka Summer” begins, it runs until mid-September every Saturday and Sunday.

Folk traditions find expression in the “Festival of costume” in the city Razlog / June 21 / holidays and traditions throughout the region.

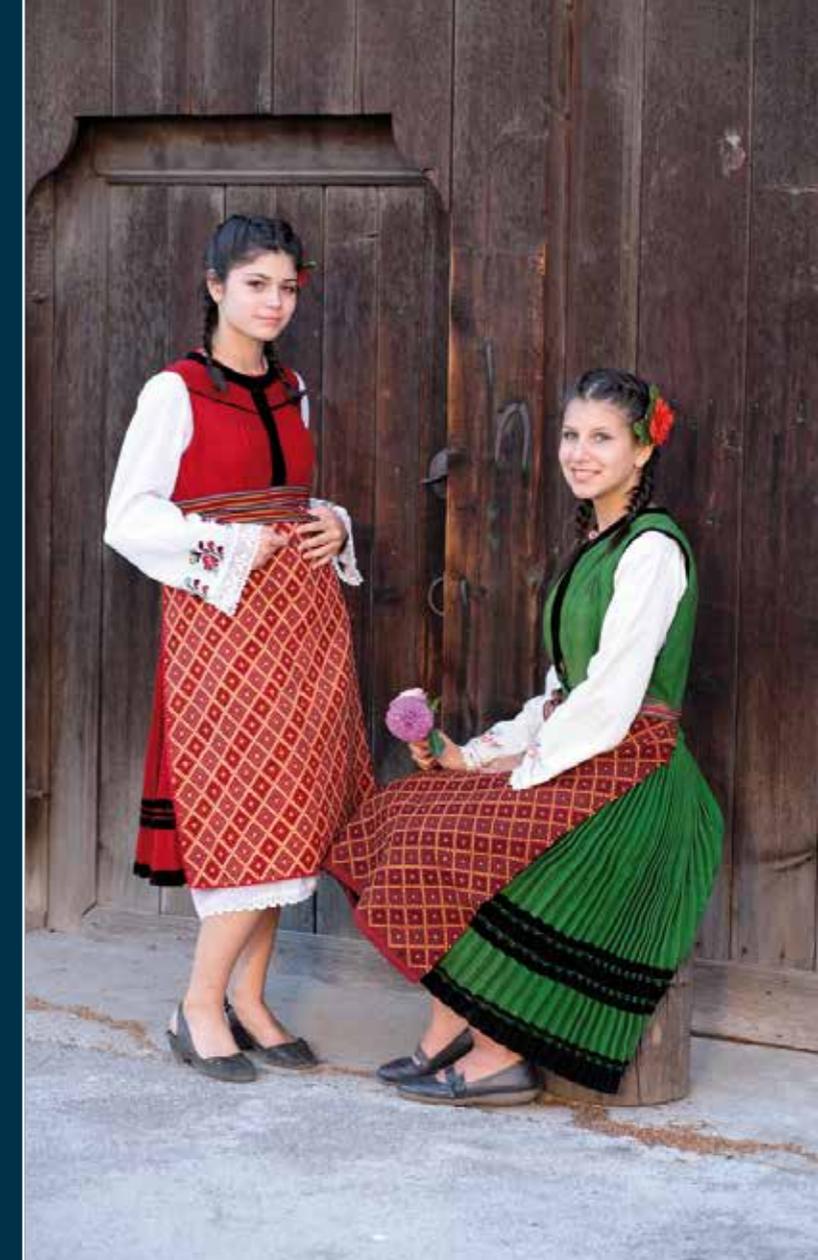

June 23 to July 7 – Bansko and Razlog become theater stages, which house one of the best productions of the year.

8 to 14 August International Jazz Festival Bansko. Opera festival at the end of the same month.

September 22 Feast of DOBRINISHTE.

Month November – International Mountain Film Festival in November.

The official opening of the winter ski season is in **mid-December**.

Summer Activities

Incorporating physical strength of a large hill, “Ruskovets” is a holiday complex facing south, looking to the beautiful peaks of Pirin Mountain and nestled in a picturesque valley town of Dobrinishte.

The location is very convenient, close to the main road Sofia-Bansko-Gotse Delchev Dobrinishte – Kavala.

Advantage of the complex is its central position between the two main ski centers in the winter – Bansko (8 km) and Dobrinishte (12 km) .

In spring, summer and autumn guests can immerse themselves in the nature and culture of the Southwest by choosing excursion routes with different accents, as well as to combine sea and mountains in one day as the beaches of Kavala in Northern Greece are only 156 km away.

Pirin Mountain gives the appearance of the whole region. It has the status of a national park, listed as a UNESCO World Heritage.

Pirin, Rila and Rhodope Mountains surround the valley of Razlog, keeping it from storms and Mesta river valley brings the warm currents of the Aegean, which make winters – mild and the summers – warm.

Located on 850 m above the sea level Dobrinishte has a healthy micro-climate. The proposed outdoor sports programs include aerobics, gymnastics and yoga. Fans of mountain biking can choose from more than 200 km routes of varying difficulty and be included in the combined programs of the Velo Club Dobrinishte and Bansko.

Pirin is an attractive destination for ecotourism in the summer. There are 25 marked summer hiking trails, there are plenty of places to picnic and stroll. The lift of Dobrinishte also works in the summer, which is a great possibility for climbing in the alpine part of the mountain.

Month November – International Mountain Film Festival in November.

The official opening of the winter ski season is in mid-December.
